Check Printing Supplies

Small to enterprise-scale businesses rely on TypeHaus for check printing solutions compatible with generations of printer models from all major manufacturers. Experience this same peace of mind with TypeHaus MICR toner and check paper.

micr toner for all major check printers

Ordering TypeHaus premium compatible MICR toner cartridges means knowing you'll receive reliable printing backed by an ISO 9001 Commitment to Quality certification backed by a full 2 year warranty. The cartridges undergo testing of individual components before assembly, 100% post-assembly print testing, a QC loop inspection, pre-packaging inspection, and post-packaging random sample re-testing.

Ordering from TypeHaus also means receiving a product produced in the US with an ISO 14001 Environmental Commitment toward minimizing environmental impact. This includes European restriction of hazardous substances (RoHS), US EPA WasteWise waste reduction, EU REACH chemicals management, and packaging based on the Sustainable Forestry Initiative. All page yields based on ISO 19752 standards.
